Re: Freedom of Information Act Request Control No. FCC-2019-000521

Dear Mr. Tobias:

The Federal Communications Commission received your Freedom of Information Act (FOIA) request on June 20, 2019. The FCC's FOIA Office assigned Control No. FCC-2019-000521, to your request and referred it to the Wireline Competition Bureau for processing.<sup>1</sup> The original due date for responding to this request is July 19, 2019.

With respect to the requested records, it is necessary that we consult with two or more components of the Commission that have a substantial subject matter interest in the determination of your request. As a result of this, we will require additional time beyond our original due date to provide a response to the request. Pursuant to Section 0.461(g)(1)(iii) of the Commission's rules, we are extending the Commission's response time for FOIA request FCC-2019-000521 to August 2, 2019.<sup>2</sup> If we reach a decision on your request prior to that date we will respond to you at that time.

If you have any questions, please do not hesitate to contact Jocelyn Frye of my staff at [Jocelyn.Frye@fcc.gov](mailto:Jocelyn.Frye@fcc.gov).

Sincerely,

Kirk S. Burgee  
Chief of Staff  
Wireline Competition Bureau
